The Deputy Commissioner, Bangalore District..

SIR,

Subject:- Establishment of a shandy at Vagata in Hoskote Taluk.

In forwarding herewith the file of correspondence on the above subject, I have the honour to state as follows:-

The Villagers of Vagata which is about 6 miles from Hoskote petitioned to this office to open a shandy at the place. The neighbouring villagers and the Village Panchayet Members and the members of the District Board impressed the necessity of the opening of a shandy at the said place. In the meantime the Villagers and the Village Panchayet of Jadagenahalli which is about 2½ miles from Vagata wanted a shandy at Jadagenahalli. Both the subjects were placed before the District Board in their meeting held on 5th September 1935 when the Board decided that it was not necessary to establish a shandy at Jadagenahalli and that a shandy may be sanctioned at Vagata, copies of which are enclosed for reference, on the ground that Vagata required a shandy as it was in an out of a way place, whereas Jadigenahalli is only about 4 miles from Hoskote and on the main road leading to Malur. The other reason was that the place where shandy had to be held if sanctioned at Jadigenahalli was a marshy ground with pits under private holding which had to be acquired at great cost. Added to this, Santhe was being held for the last two months at Vagata. Objections were called for

for regarding the holding of a shandy at Vagata on every Wednesday as per resolution of the Board and the same was published in the Mysore Gazette dated the 31st January 1935. Objections were received from Jadigenahalli and some other neighbouring villagers who collided with the former to the effect that the shandy should not be established at Vagata and that one may be opened at Jadigenahalli. The District Board in their meeting held on 2nd and 3rd May 1935 considered these objections at length and decided in favour of opening a shandy at Vagata alone as the objections put forward were considered to be not sound, and frivolous. A copy of the resolution is enclosed.

I have enclosed a plan showing Vagata where the holding of a shandy is proposed and the villagers where shandies are now held and they are shown in Red Pencil. It can be seen therefrom that more than 20 villages will be helped by the opening of the shandy.

Vagata is an out of a way place and is badly in need of a shandy. All the existing shandies i. e. Hoskote, Devangundi and Kadagodi are at a distance of more than 6 miles and it is also reported that though Kadagodi shandy may be nearer to some places it cannot be made use of in rainy season as it will not be - possible to cross a halla and the wet lands that come in the way. Even the residents of Hoskote are in favour of having a shandy at Vagata rather than at Jadagenahalli as the people of the latter village will go over to Hoskote alone to buy their necessities. It is also represented that a Santhe was being held some 30 years back at Vagata and was stopped on the outbreak of Plague in the Village which was not revived, but no reference is forthcoming in the matter

For the reasons stated above, I request you to kindly obtain sanction of Government to the resolution of the Board for

Contd.,

for the establishment of a shandy at Vagata on every Wednesday.

I have the honour to be,
Sir,
Your most obedient servant,

V. Venkatappa
President,
District Board.
